

BX President's Award

The Builders Exchange is pleased to announce Joe Urquhart, vice president of Overmyer Hall Associates, as the 2018 recipient of the BX President's Award.

Initiated in 1979, the honor is given to an individual who has volunteered countless hours behind the scenes to develop Exchange programs and impact the industry. While the award is presented to just one person, it represents and salutes the thousands of BX members who have donated their time and talents to the BX through the years.

Urquhart has been a BX member since the late '90s, and has been an active volunteer for the Education and Professional Development departments. Since 2012, he has volunteered on the steering committee of the Safety Council of Greater Columbus. He is a member of the BX Law and Finance Group and is a co-instructor for the BX Executive Leadership class for the topic of Construction Risk Management. Urquhart is a sponsor, past presenter and a regular attendee of the annual Ohio Construction Conference.
