

BX President's Award

The Builders Exchange is pleased to announce Parr Peterson, president of Paul Peterson Co., as the 2019 recipient of the BX President's Award.

Initiated in 1979, this honor is given to an individual who has volunteered countless hours behind the scenes to develop Exchange programs and impact the industry. While the award is presented to just one person, it represents and salutes the thousands of BX members who have donated their time and talents to the BX through the years.

Peterson has been a strong supporter of the Exchange and the industry for several decades. He served nine years on the BX board of directors, and was president of the association in 2004. He was also a member of the Builders Exchange Foundation board of directors from 2003 to 2005. He received the BX Gold Coat Award for membership recruitment in 2006. Peterson served as a champion for the BX Rising Leaders Institute and as chair of the BX Cornerstone Review Committee. He is a speaker for the BX Student Outreach Program and gives presentations several times a year for the BX OSHA 30-Hour course. The President's Award will officially be presented to Peterson during the 127th BX Annual Meeting Thursday, Nov. 21 at the Greater Columbus Convention Center.
